I am a MERN Stack fresher with a strong interest in full-stack web development and hands-on learning. I have basic knowledge of MongoDB, Express.js, React.js, and Node.js, along with HTML, CSS, and JavaScript for building responsive web applications. I am familiar with creating simple REST APIs, performing CRUD operations, and integrating frontend with backend. I am a hardworking, quick learner, open to feedback, and eager to gain real-world experience and grow as a professional MERN Developer.
